

Effervescent, pioneering, and festive, the Palais de Tokyo is  
the ideal venue for your events.

Located on the banks of the Seine, just a stone's throw  
from the Eiffel Tower, the Palais de Tokyo is a unique  
venue, with a raw and surprising architecture.

Inhabited by artists and open from midday to midnight to  
ever more enthusiastic visitors, the Palais has invented an  
original model, where emergence meets fashion,  
creativity, and trends.

Several of its warm and atypical spaces can be privatized  
for your events: cocktails, product launches,  
fashion shows, dinners, seminars... We'll be happy to  
answer any questions you may have.
